

Information

Theory and Practice

Duino Castle, 19-21 October 2007

Sponsors:

 isomorph

 Qimonda

Organizers

G. Luhn (Qimonda, Dresden)
K. Kornwachs (Univ. of Cottbus)
H. Grassmann (Univ. of Udine)

19- 20 Oct: closed workshop

21 Oct afternoon: public summary

Goal of the workshop: bring together IT experts, computer scientists, mathematicians, physicists, philosophers and theologians in order to work towards a modern concept of "information".
