

The Abdus Salam
International Centre for Theoretical Physics

Freie Universität

Berlin

1st Workshop on Linear Mirror Systems and Integrations

Can solar energy substitute fossil energy?

Mai 19 – 20, 2012

International Centre for Theoretical Physics
Strada Costiera, 11, I - 34151 Trieste Italy

Organizer: H. Grassmann,
B. Sandow,
M. Cobal

**Situation of solar thermal
Linear mirrors and Solar wall
PV and other Components
Architectural integration
Solar cooling and Process heat**
